TYPES OF MEETINGS

Knox County Commission holds the following meetings each month:

COMMISSION WORK SESSION

(3rd Monday of month @ 5:00pm)*

The first step in the legislative process is for resolutions and matters of County business to be filed and discussed in the monthly work session. The purpose of this meeting is to discuss items and set the agenda for the Commission meeting the following week. While votes may be taken to send items forward to the main Commission meeting, no resolution or item is given the final decision at this meeting.

BEER BOARD

(4th Monday of month @ 4:00pm)*

County Commission holds a public hearing each month to review applications for beer permits. Applicants are sworn in by the Knox Co. Law Department and asked a series of questions while also hearing from professionals (Heath Dept., Codes, Sheriff's Office, Health Dept.) who review the applicant's eligibility. If no permits are submitted, then this meeting is cancelled. To learn more about beer permits please visit: www.knoxcounty.org/clerk/permits_beer.php

COMMISSION MEETING

(4th Monday of month @ 5:00pm)*

The final step in the legislative process takes place at the main County Commission meeting. After a final review and discussion by Knox Co. staff members and Commissioners, all resolutions are voted on. Additional items such as Honorary Resolutions or presentations might also occur during this meeting.

ZONINGS

(4th Monday of month @ 7:00pm or when Commission business is complete)*

The County Commission holds a special Zoning meeting each month to review land-use applications. After applicants have gone through the Planning Commission process, they are presented to County Commission for final approval or appeal.
